Landscaping Services

Request for Proposals dated October 8, 2020

**ADDENDUM: RESPONSES TO QUESTIONS RECEIVED CONCERNING THE REQUEST FOR PROPOSALS  
– ISSUED OCTOBER 22, 2020**

- 1. Question:** In addition to the Landscaping Services Request for Proposals the Long Creek Watershed Management District (“LCWMD”) advertised a BMP Inspection and Maintenance Services Request for Proposals, could the same service provider be awarded services agreements under both the Landscaping Services and BMP Inspection and Maintenance Services requests for proposals?

**Answer:** Yes, the same service provider could be awarded services agreements under both the Landscaping Services and BMP Inspection and Maintenance Services requests for proposals.

- 2. Question:** What was the value of the most recent services agreement awarded for Landscaping Services?

**Answer:** The of the value of the most recent (awarded December 2018) services agreement for Landscaping Services was \$171,190.00, for two years, with that amount being for both years combined. This amount is exclusive of subsequent change orders for changes to the original scope of work. Please note, the scope of work under the present Landscaping Services Request for Proposals has been revised since the prior services agreement was awarded.
